f. TF card slot

8K@24fps Display

True 8K picture resolution can be as high as 7680*4320
to achieve 16 times of 1080P picture accuracy

Android 9.0 System

Come with latest Android 9.0 system,more stable and humanization, giving you better using experience

USB 3.0
SuperSpeed USB
Theoretical speed
up to 5Gbps
(practical speed up to
200MB/s)

VS

USB 2.0
High speed USB
Theoretical speed
up to 480Mbps
(practical speed up to
35/40MB/s)

4G LTE Module

With 4G LTE Module,you can use it as a portable
WiFi rounter when you left WiFi environment

One Touch Screen Mirroring

Small screen to big screen, happy to share non-stop

Discover the ultimate entertainment hub with the Amlogic S905X3 Quad Core Android 9.0 8K 4G LTE TV Box. Engineered for superior performance and versatility, this device revolutionizes how you experience digital content. Here's why it's the perfect addition to your home entertainment setup:

1. **Powerful Performance**: Equipped with the Amlogic S905X3 Quad Core processor and Android 9.0 operating system, this TV box delivers lightning-fast performance and seamless multitasking. Enjoy smooth navigation, quick app launches, and responsive controls for an immersive entertainment experience.

2. **Stunning 8K Resolution**: Immerse yourself in breathtaking visuals with support for stunning 8K resolution. Whether you're watching movies, TV shows, or gaming, every detail comes to life with crisp clarity and vibrant colors, bringing your favorite content to life like never

before.

3. **Enhanced Connectivity**: Stay connected to the world with built-in 4G LTE connectivity. Enjoy blazing-fast internet speeds for seamless streaming, browsing, and downloading, without the need for a separate Wi-Fi connection. Stream your favorite content in high definition without buffering or lag.

4. **Versatile Entertainment Options**: With access to the Google Play Store, enjoy a world of entertainment at your fingertips. Download thousands of apps, games, and streaming services to customize your viewing experience to suit your preferences. From Netflix and YouTube to Hulu and Amazon Prime Video, access all your favorite content with ease.

5. **Expandable Storage**: Store all your favorite movies, music, and apps with ease thanks to expandable storage options. With support for external USB drives and microSD cards, never worry about running out of space again. Keep your entertainment library organized and accessible for hours of endless enjoyment.

6. **User-Friendly Interface**: Designed with simplicity in mind, this TV box features a user-friendly interface that makes navigation a breeze. With intuitive menus, responsive controls, and customizable settings, enjoy a hassle-free entertainment experience that's tailored to your preferences.

7. **Advanced Audio Support**: Immerse yourself in immersive audio with support for advanced audio formats. From Dolby Atmos to DTS:X, experience crystal-clear sound quality and immersive surround sound for a cinematic viewing experience right in your living room.

8. **Compact and Portable Design**: Sleek and compact, this TV box is designed to fit seamlessly into any entertainment setup. Whether you're streaming content in the living room, bedroom, or on the go, its portable design makes it easy to take your entertainment with you wherever you go.

9. **Energy-Efficient Performance**: Designed with energy efficiency in mind, this TV box delivers powerful performance without compromising on energy consumption. Enjoy hours of uninterrupted entertainment while minimizing your carbon footprint and reducing energy costs.

10. **Reliable Support and Updates**: With regular firmware updates and reliable customer support, rest assured that your TV box is always up to date and operating at peak performance. Enjoy peace of mind knowing that help is just a phone call away should you ever encounter any issues.

Upgrade your entertainment experience with the Amlogic S905X3 Quad Core Android 9.0 8K [4G LTE TV Box](#). With powerful performance, stunning visuals, and versatile features, it's the perfect addition to any home entertainment setup.
