Think out of the box
with Android TV 7.1

Connect to a world of content and entertainment at home with Nut 2. It runs on the latest Android TV 7.1 which is easy to use, supports voice controls Catch your favorite TV shows, play games, watch the news or switch to radio. Nut 2 also recommends videos based on your personal Youtube and Google Play preferences!
Say it to search it

TV is listening, all you have to do is ask. Speak into the voice remote control, the TV Box will search for what you want. Simply press and hold the Voice control key to activate voice function, when you see the "Try saying." on the screen, speak into the Microphone, for example
"The latest action movies",
"Today's weather",
"The latest celebrity news",
etc..
You will get what you want.

"The latest action movies"

OTA service always keeps you up to date

The Nut 2 1080P Quad Core Android TV Box by Android TV™ is designed to elevate your home entertainment experience. Here's what sets it apart:

1. Google Assistant Integration:

With built-in Google Assistant, you can control your TV, search for content, get answers, and more using simple voice commands. Say goodbye to remote juggling and enjoy hands-free convenience.

2. Stunning 1080P Resolution:

Experience crystal-clear visuals with 1080P Full HD resolution. Enjoy your favorite movies, shows, and games in sharp detail and vibrant colors.

3. Powerful Quad-Core Processor:

Equipped with a quad-core processor, the Nut 2 TV Box ensures smooth performance for streaming, gaming, and multitasking. Enjoy lag-free entertainment every time.

4. Android TV™ Operating System:

Get access to a world of entertainment with the Android TV™ operating system. Explore thousands of apps, games, and streaming services, including Netflix, YouTube, Prime Video, and more.

5. Wide Connectivity Options:

Connect your TV box to your home network via Wi-Fi or Ethernet for seamless streaming. HDMI and USB ports allow you to connect external devices like gaming consoles, Blu-ray players, and storage drives.

6. Compact and Stylish Design:

The Nut 2 TV Box features a compact and stylish design that complements any home entertainment setup. Its sleek profile and minimalist aesthetics blend seamlessly with your TV unit.

7. Easy Setup and User-Friendly Interface:

Setting up the Nut 2 TV Box is easy and straightforward. The user-friendly interface makes navigation a breeze, allowing you to find and enjoy content with ease.

8. Enhanced Audio and Video Experience:

Immerse yourself in rich audio and video experiences with support for Dolby Audio and advanced video codecs. Enjoy theater-like sound and picture quality right at home.

9. Versatile Entertainment Hub:

Transform your TV into a versatile entertainment hub with access to live TV, streaming services, music apps, and more. Customize your viewing experience to suit your preferences.

10. Future-Ready Technology:

The Nut 2 TV Box is equipped with future-ready technology to support upcoming features and

updates, ensuring that your entertainment setup stays relevant and up-to-date.

Upgrade your entertainment setup with the Nut 2 1080P Quad Core [Android TV Box](#) by Android TV™. Enjoy the convenience of Google Assistant, immersive visuals, and a world of entertainment options at your fingertips.
