Think out of the box with Android TV 7.1

Connect to a world of content and entertainment at home with Nut 2. It runs on the latest Android TV 7.1 which is easy to use, supports voice controls. Catch your favorite TV shows, play games, watch the news or switch to radio. Nut 2 also recommends videos based on your personal Youtube and Google Play preferences!

Say it to search it

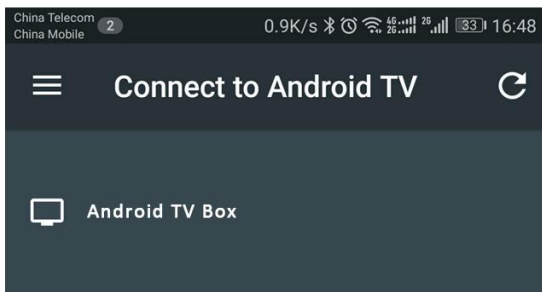

TV is listening, all you have to do is ask. Speak into the voice remote control, the TV Box will search for what you want. Simply press and hold the Voice control key to activate voice function, when you see the "Try saying." on the screen, speak into the Microphone, for example
"The latest action movies",
"Today's weather",
"The latest celebrity news",
etc..
You will get what you want.

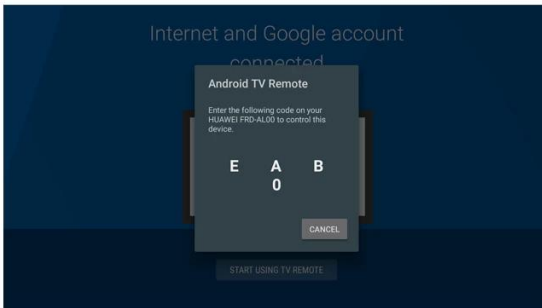

Android TV Remote Control

1. Download and install "Android TV Remote Control" app from play store of android phone or tablet PC

2. Find and click device "Android TV Box"

3. Pairing phone or tablet PC with Android TV Box

4. Phone or Tablet PC will be able to remote "Android TV Box" after pairing successfully

Stalker **MAG25X**

StbEmu applications can be compatible with most MAG25X stalker protocols

4 core 64bit | Android 7.1

Perfect Combination of Quad Core CPU and Android

2G+16G

2GB DDR3 RAM makes bigger games run smoothly and the utilization of eMMC memory offers an array of benefits in terms of performance security and reliability, resulting in a richer end-user experience.

3D Graphics Processing Unit

ARM Mali-T450MP3 GPU up TO 750MHz(DVFS)

EVERYTHING POPS WITH HDR

Now it is time to have HDR on your TV with more realistic image, better contrast, brightness and color than before.

OTA service always keeps you up to date

The Android TV OS 4K TV Box combines cutting-edge technology with user-friendly features to deliver a superior entertainment experience. Here's a detailed look at what makes this device stand out:

1. Powerful Performance:

Equipped with a robust processor and ample RAM, the Android TV OS 4K TV Box ensures smooth performance, fast app loading times, and seamless multitasking for an uninterrupted viewing experience.

2. 4K Ultra HD Resolution:

Enjoy breathtaking clarity and lifelike detail with 4K Ultra HD resolution support, bringing your favorite movies, shows, and games to life with stunning visuals and vibrant colors.

3. Android TV Operating System:

Powered by the Android TV operating system, this TV box offers a familiar interface, easy navigation, and access to a vast library of apps, games, streaming services, and content platforms.

4. Streaming and Gaming:

Stream your favorite content from popular services like Netflix, Amazon Prime Video, Hulu, and YouTube, or dive into a world of gaming with access to Google Play Store's extensive game library.

5. Voice Remote Control:

The included voice remote control allows for hands-free operation, making it effortless to search for content, adjust settings, and control playback using voice commands.

6. Google Assistant Integration:

Take advantage of Google Assistant integration to get quick answers, control smart home devices, manage tasks, and more, all through voice commands or the remote control.

7. Connectivity Options:

Connect the TV box to your TV via HDMI for high-definition output. It also features built-in Wi-Fi and Ethernet connectivity for stable internet access and seamless streaming.

8. Expandable Storage:

With support for external storage devices such as USB drives and microSD cards, you can expand the storage capacity of the TV box to store more apps, games, and media files.

9. Slim and Stylish Design:

The sleek and compact design of the Android TV OS 4K TV Box complements any home entertainment setup, blending seamlessly into your living space.

10. Versatile Entertainment Hub:

Transform any TV into a smart entertainment hub with the Android TV OS 4K TV Box, offering endless entertainment possibilities, convenient features, and immersive visuals for the whole family to enjoy.

Conclusion:

The Android TV OS 4K [TV Box](#) combines powerful performance, intuitive navigation, and a vast content ecosystem to deliver an exceptional entertainment experience. Elevate your TV viewing, streaming, and gaming with this versatile and feature-rich device.
