

# Android Stick PC HDMI input, Android Media Stick HDMI input, Stick TV Android HDMI input

Product Parameters		
Model No.	HDMI input dongle X2	
CPU	Realtek RTD1295 Quad-Core ARM Cortex-A53 64-bit @2GHz	
GPU	ARM-T820	
Memory	DDR4: 1GB (Option: 2GB)	
Flash	eMMC: 8GB (Option: 16GB)	
Bluetooth	BT4.0	
I/O	1*HD output	4K*2K UHD Output, HD 2.0a
	1*HD input	HD input (HD1.4a~HD2.2a) ,Support HDCP Key with 1.4 or 2.2 version
	1*USB	1* USB 2.0
	1*TF CARD	Support 4GB~64GB
Periheral Compatiblity	USB Touch-Screens; Camera; Bluetooth™ Earphone or Other Bluetooth™ Device, etc.	
Power	Micro USB 5V/2A	
OS	Android 6.0 Marshmallow	
Video	Codec H.264 2K@60fps/4K@24fps	
	Decoder H.265 4K@60fps	
	HDR 10-bit HEVC/H.265 up to 4K@60fps, VP9 up to 4K@60fps,	
Audio	Support ture Dolby Digital and DTS HD	
	Support HD audio(7.1ch) decode and passthrough Redesigned Native player,Blu-ray better compatibility	
	Built-in audio codec with 24bit resolution,	
Image	HD JPEG, BMP, GIF, PNG, TIF	
Language	Multilateral languages	
Online	Browse all video websites,support Netflix,Hulu,Flixster, Youtube, etc.	
Apps	Apps download freely form android market, amazon app store etc.	
Medium	Local Media playback, Support HDD, U Disck , SD/MMC Card	
Talk online	Support SKYPE video call, MSN, facebook, twitter, QQ etc	
	Support Email,office suit etc.	
Others	Support DLNA function	
	Support 2.4G wireless mouse/keyboard

a better user experience

Discover the convenience and versatility of Android Stick PC HDMI input solutions, designed to elevate your entertainment experience. Here's why they are a must-have for your setup:

### **1. Seamless Integration:**

Android Stick PC HDMI input devices seamlessly integrate with your existing display, turning it into a smart platform without the need for additional hardware or complex setup.

### **2. Expanded Functionality:**

With Android Media Stick HDMI input options, you can access a wide range of content and services directly on your TV or monitor. Enjoy streaming apps, games, web browsing, and more.

### **3. Powerful Performance:**

These devices feature powerful processors and ample memory, ensuring smooth performance for

multitasking, streaming high-definition content, and running demanding applications.

#### **4. Plug-and-Play Convenience:**

Setting up an Android Stick PC with HDMI input is as easy as plugging it into your display and connecting to the internet. No need for complicated installations or configurations.

#### **5. Wireless Connectivity:**

Many Android Media Stick HDMI input solutions offer built-in Wi-Fi and Bluetooth connectivity, allowing you to wirelessly stream content from your devices and connect accessories like keyboards, mice, and controllers.

#### **6. Android Operating System:**

Benefit from the versatility of the Android operating system, with access to the Google Play Store and a vast ecosystem of apps, games, and media content. Customize your device with your favorite apps and services.

#### **7. HDMI Input Flexibility:**

The HDMI input on these devices enables you to connect other HDMI sources such as gaming consoles, Blu-ray players, and set-top boxes, expanding your entertainment options and providing a seamless switching experience.

#### **8. Compact and Portable:**

Android Stick PC HDMI input devices are compact and portable, making them ideal for use in various settings, from living rooms and bedrooms to offices and classrooms.

#### **9. Enhanced Productivity:**

Utilize your Android Stick PC HDMI input device for more than just entertainment. With productivity apps and tools available, you can turn your display into a productivity powerhouse for work and study.

#### **10. Future-Ready Features:**

Stay up-to-date with regular updates and access to new features, ensuring that your Android Stick PC HDMI input device remains relevant and capable of meeting your evolving needs.

Elevate your entertainment and productivity with Android Stick PC HDMI input solutions. Enjoy seamless integration, expanded functionality, and a world of content right at your fingertips.
