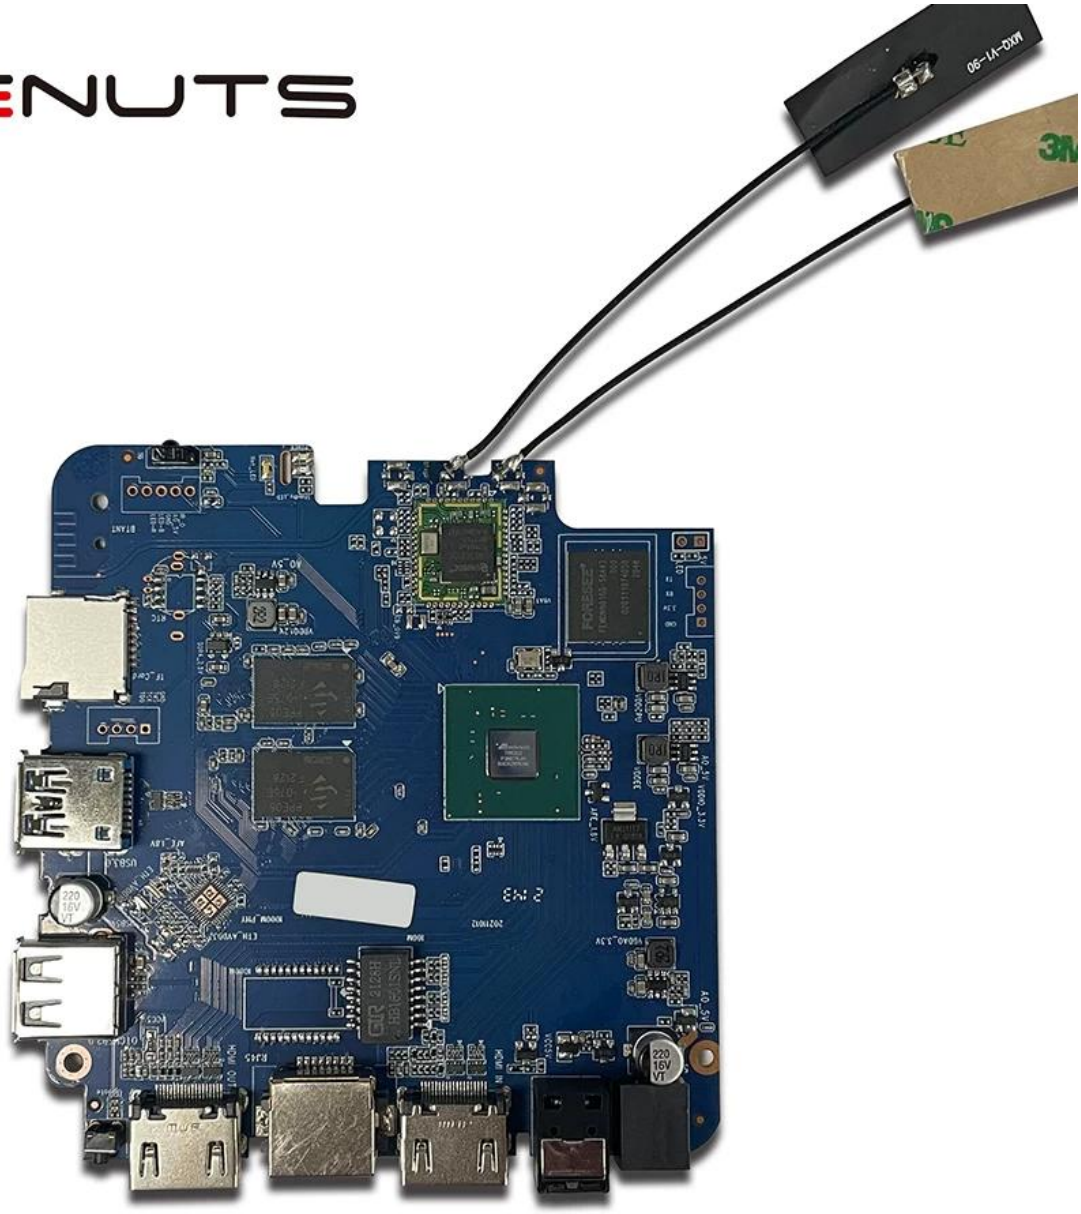
ONENUTS



Multi-core 32/64-bit CPU and 3D GPU with high performance	Powerful multimedia processing capability, supporting all mainstream video decoding including 8K/4K 10-bit AV1/H.265/VP9/AVS2	Supports all mainstream HDR standard including Dolby Vision, HDR10 and HLG	Unique Trulife picture quality enhancement engine, offering theater-like visual effect	Complete production-ready security solution, supporting secure boot, secure OS and mainstream DRMs
Ultra-high performance and ultra-low power consumption	Ultra-high SoC integration and rich peripheral interfaces	Complete IP license, including Dolby, DTS, etc.	Supports screen projection technology like DLNA, Miracast etc.	Provides mature turn-key solution for both split and AIO smart TV

The Amlogic T962E TV Box With HDMI Input is a versatile and powerful device that enhances your

TV viewing experience. With its HDMI input feature, you can easily connect external devices such as gaming consoles, Blu-ray players, and laptops to enjoy a wide range of content on your TV screen. This TV box offers seamless integration, stunning visuals, and convenient functionality, making it the perfect addition to any entertainment setup. Upgrade your TV experience with the Amlogic T962E TV Box With HDMI Input.

Elevate your home entertainment experience with our cutting-edge Android TV Box featuring HDMI and set-top box HDMI inputs. Here's why it's the perfect choice for enhancing your TV viewing:

Versatile Connectivity:

Our Android TV Box is equipped with both HDMI and set-top box HDMI inputs, allowing you to connect to a wide range of devices such as TVs, monitors, projectors, and more. Enjoy seamless connectivity for all your entertainment needs.

Enhanced Viewing Experience:

Experience stunning visuals and immersive audio with support for high-definition content through the HDMI input. Enjoy your favorite movies, shows, games, and apps in crisp detail and vibrant colors.

Easy Setup and Operation:

Setting up our Android TV Box is a breeze, thanks to its user-friendly interface and straightforward installation process. Connect it to your TV or monitor, follow the simple on-screen instructions, and start enjoying endless entertainment options.

Streaming and Gaming Capabilities:

Stream your favorite movies and TV shows from popular streaming platforms, play Android games, and access a vast library of apps directly on your TV. The powerful hardware ensures smooth performance for all your media and gaming needs.

Expandable Storage Options:

With support for external storage devices, you can expand the storage capacity of your Android TV Box to store more apps, games, videos, music, and photos. Never run out of space for your entertainment content.

Smart TV Features:

Transform any regular TV into a smart TV with our Android TV Box. Enjoy features like voice search, Google Assistant integration, screen mirroring, and more to enhance your overall viewing experience.

Regular Software Updates:

Stay up-to-date with the latest features, improvements, and security patches through regular software updates. Our Android TV Box ensures a reliable and secure entertainment experience.

Upgrade to our Android TV Box with HDMI and set-top box HDMI inputs today and unlock a world of entertainment possibilities right from your living room. Experience seamless connectivity, stunning

visuals, and limitless entertainment options in one powerful device.
