Sharpening  
treatment

Image  
denoising

## Much easier to control by voice remote control

### UPGRADE FUNCTIONS

Watching movies, listening music & audiobooks. Just speak out what you need to do.

The remote control can directly adjust the screen size and rotation angle, without moving the projector distance.

## Diffuse imaging, bring you more comfortable visual experience

Different from ordinary LED projector, it uses diffuse imaging principle. Projection light enters the human eye through diffuse reflection, which is not easy to cause eye fatigue, and protects the eyesight of users.
