ANDROID 8.1 SYSTEM
IS COMING

HIGH PERFORMANCE GPU

Davlin MP2 GPU,
support 3D Games playing,
gives you a smooth experience

Discover the ultimate entertainment solution with our Android IPTV HD Internet TV Box, designed to revolutionize how you experience television and digital content.

1. Access to Local Channels:

Enjoy a wide range of local channels right on your TV screen. Stay updated with news, sports, weather, and entertainment from your region, all accessible through our IPTV box.

2. HD Streaming and Playback:

Immerse yourself in crystal-clear HD quality for an enhanced viewing experience. Stream movies, TV shows, videos, and more with exceptional clarity and vibrant colors.

3. Android-Powered Versatility:

Experience the power and versatility of Android technology. Access thousands of apps, games, streaming services, and productivity tools from the Google Play Store, all optimized for your TV.

4. Seamless Connectivity:

Connect effortlessly to your home network via Wi-Fi or Ethernet for seamless streaming and browsing. Stay connected to the internet and enjoy uninterrupted entertainment.

5. User-Friendly Interface:

Navigate with ease using the intuitive user interface of our Android IPTV box. Customize your home screen, organize apps, and access content with just a few clicks or voice commands.

6. Multi-functional Remote Control:

Control your TV box with precision using the included remote control. Enjoy ergonomic design, responsive buttons, and convenient shortcuts for quick access to your favorite features.

7. Expandable Storage Options:

Expand your storage capacity with USB drives, external hard disks, or microSD cards. Store your favorite media, apps, games, and files locally for quick access and offline viewing.

8. Enhanced Audiovisual Experience:

Experience immersive audiovisual quality with support for high-definition video playback and audio output. Enjoy cinematic sound, crisp visuals, and theater-like experiences at home.

9. Regular Software Updates:

Benefit from regular software updates to ensure optimal performance, security, and compatibility with the latest apps and services. Stay up to date with new features and improvements.

10. Family Entertainment Hub:

Transform your living room into a family entertainment hub with our Android IPTV HD Internet TV Box. Enjoy quality time together, explore new content, and create memorable viewing experiences.

Upgrade your TV experience with our Android IPTV HD [Internet TV Box](#) and unlock a world of entertainment, connectivity, and convenience. Enjoy local channels, streaming services, apps, and more in stunning HD quality, all in one device.
