# ONENUTS

|  |  |   |   |  |
|--|--|---|---|--|
|  <p>Multi-core 32/64-bit CPU and 3D GPU with high performance</p> |  <p>Powerful multimedia processing capability, supporting all mainstream video decoding including 8K/4K 10-bit AV1/H.265/VP9/AVS2</p> |  <p>Supports all mainstream HDR standard including Dolby Vision, HDR10 and HLG</p> |  <p>Unique Trulife picture quality enhancement engine, offering theater-like visual effect</p> |  <p>Complete production-ready security solution, supporting secure boot, secure OS and mainstream DRM's</p> |
|  <p>Ultra-high performance and ultra-low power consumption</p>    |  <p>Ultra-high SoC integration and rich peripheral interfaces</p>   |  <p>Complete IP license, including Dolby, DTS, etc.</p>                            |  <p>Supports screen projection technology like DLNA, Miracast etc.</p>                         |  <p>Provides mature turn-key solution for both split and AIO smart TV</p>                                   |

Welcome to our wholesale Android TV Box, delivering exceptional performance and features to

enhance your entertainment setup. Here's why it's the perfect choice for your media needs:

### **High-Quality Media Player:**

Our Android TV Box serves as a high-quality media player, providing smooth playback of your favorite content with crystal-clear visuals and immersive audio.

### **HDMI Input:**

With HDMI input functionality, our TV Box allows you to connect seamlessly to your TV, projector, or monitor, ensuring easy setup and high-definition viewing.

### **DTS HD Support:**

Experience superior audio quality with DTS HD support. Enjoy rich, detailed sound that enhances your viewing experience for movies, music, and more.

### **Seamless Streaming:**

Stream your favorite content effortlessly with our TV Box. Access popular streaming platforms, online videos, and live TV channels with smooth and uninterrupted playback.

### **Versatile Connectivity:**

Our TV Box offers versatile connectivity options, including Wi-Fi, Ethernet, USB ports, and HDMI input. Connect to various devices and networks for enhanced convenience.

### **User-Friendly Interface:**

Navigate through a user-friendly interface designed for ease of use. Customize settings, access apps, and control your media playback with intuitive controls.

### **Advanced Features:**

Benefit from advanced features such as screen mirroring, voice control, multi-device streaming, and app compatibility. Enhance your entertainment setup with added convenience and functionality.

### **Wholesale Pricing:**

Enjoy competitive wholesale pricing, making our Android TV Box an affordable solution for businesses, retailers, and distributors seeking quality media players.

### **Conclusion:**

Elevate your entertainment experience with our wholesale [Android TV Box](#)
