WIDEVINE

LEVEL 1

Android TV

4K Android TV set-top box
HDR video support
Bluetooth voice remote included

Think out of the box with Android TV 7.1

Connect to a world of content and entertainment at home with Nut 3 It runs on the latest Android TV 7.1 which is easy to use, supports voice controls. Catch your favorite TV shows, play games, watch the news or switch to radio. Nut 3 also recommends videos based on your personal Youtube and Google Play preferences!

Say it to search it

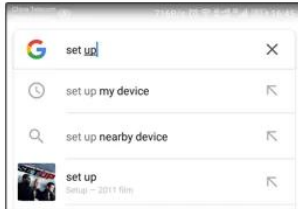

TV is listening, all you have to do is ask. Speak into the voice remote control, the TV Box will search for what you want. Simply press the Voice control key to activate voice function, when you see the "Try saying..." on the screen, speak into the Microphone, for example "The latest action movies" "Today's weather" "The latest celebrity news" etc.. You will get what you want.

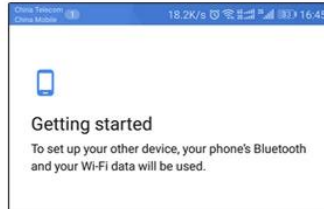

Copy your Google Account and data from Phone or Tablet PC to the device (Andorid TV Box).

1. Down load and install "Google " app from play store of android phone or tablet PC

2.Input "set up my device" in Google APK.

3. Getting started

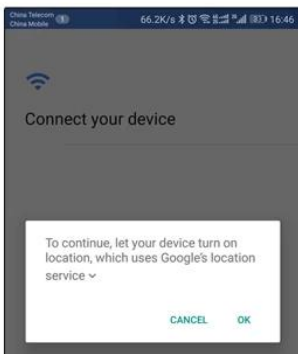

4..Choose your device and connect your device

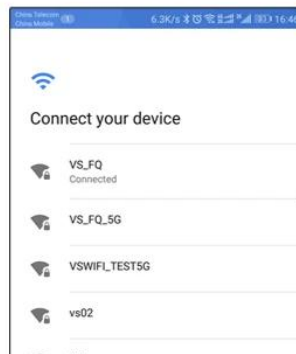

5.Input "Verify code" on phone or Tablet PC.

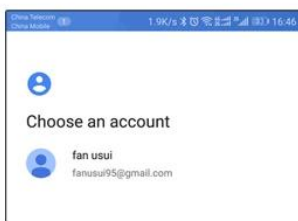

6. Conect your device

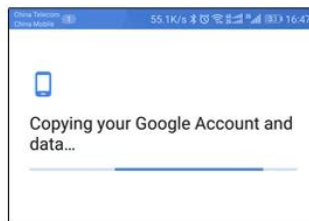

7. Connect your device

8. Choose an account

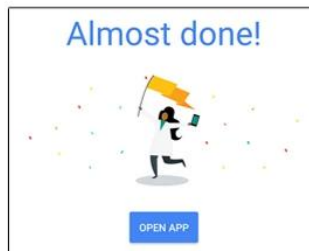

9. copying your Google Account and data

10. Install the app

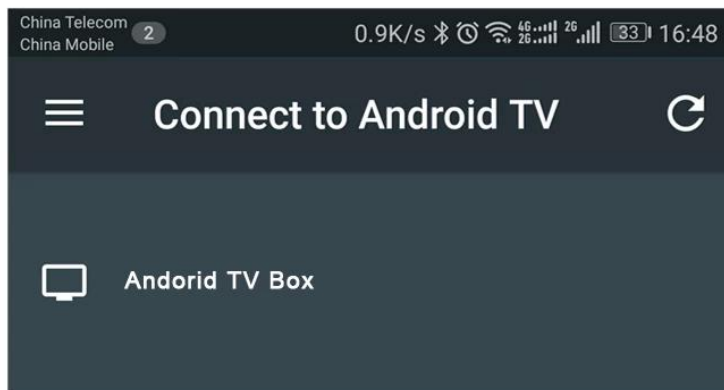

11. Almost done

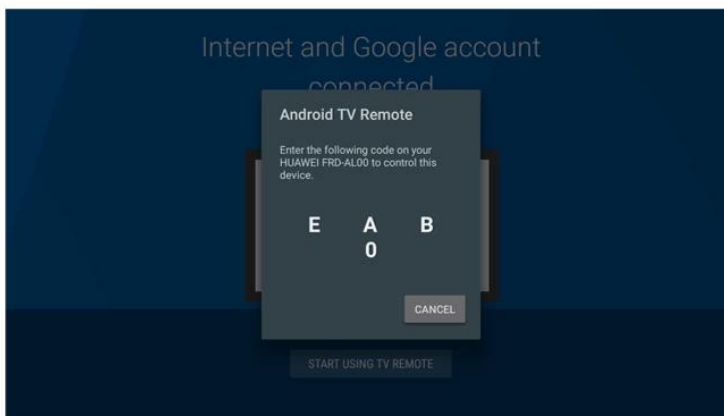

Android TV Remote Control

1. Download and install "Android TV Remote Control" app from play store on android phone or tablet PC

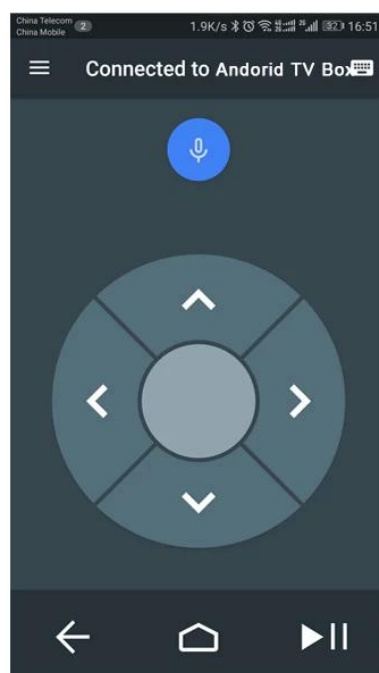

2. Find and click device "Andorid TV Box"

3. Pairing phone or tablet PC with Andorid TV Box

4. Phone or Tablet PC will be able to remote "Andorid TV Box" after pairing successfully

YouTube 4K

The screenshot shows a YouTube video player interface. At the top, the video title is "SONY 4K hdr demo video for 4k tv-2160p" with a "4K Eye" icon and "Published on Mar 13, 2017" and "2,522,442 views" with a "4K" badge. A technical information box is overlaid on the video, displaying the following data:

Video ID / CPN	Bey4XXJAqS8 / C9qCFECy1Afxvzqb
Viewport	1920x1080*2
Current / Optimal Res	3840x2160@30 / 3840x2160@30
Volume / Normalized	100% / 100% (content loudness -8.1dB)
Codecs	vp9 (313) / mp4a.40.2 (140)
Host	r4--sn-ajlg6n7z
Connection Speed	27207 Kbps
Network Activity	1104 KB
Buffer Health	12.67 s
Dropped Frames	0/1521

Below the technical box is a progress bar showing 0:50 / 29:37. The video player controls include "More Options", "Pause", and "Go Back" buttons. The video content shows a close-up of a dinosaur's head.

Current / Optimal Res 3840x2160@30 / 3840x2160@30

Note:

When the net speed is fast, youtube 4k can be achieved at 4K * 2K resolution playback, when the speed slows down, the resolution will automatically decline, may be reduced to 1080P / 720P / 480 or even lower to keep Play smoothly. This is a normal phenomenon, the resolution depends on your network speed.

The 4K Android TV Set Top Box with Google Voice Control and Android TV OS is designed to revolutionize your home entertainment system. Here's what makes it stand out:

1. Stunning 4K Resolution:

Experience immersive visuals with crisp details and vibrant colors in stunning 4K resolution. Enjoy a cinematic viewing experience from the comfort of your living room.

2. Google Voice Control:

Take control of your TV with just your voice using Google Voice Assistant. Search for content, control playback, and access information without lifting a finger.

3. Android TV OS:

Enjoy a user-friendly interface and seamless navigation with the Android TV operating system. Access a vast library of apps, games, and streaming services directly from your TV.

4. Powerful Performance:

With a powerful processor and ample RAM, the set-top box ensures smooth performance for streaming, gaming, and multitasking.

5. Wide Connectivity Options:

Connectivity options include HDMI, USB, Ethernet, and Wi-Fi, allowing you to connect to a variety of devices and networks for seamless streaming and browsing.

6. Voice-Activated Search:

Quickly find your favorite content using voice-activated search. Simply ask Google Voice Assistant to find movies, shows, or music, and enjoy instant results.

7. Versatile Entertainment Hub:

Transform your TV into a versatile entertainment hub with access to popular streaming platforms like Netflix, YouTube, Prime Video, and more. Stream your favorite content in high definition.

8. Compact and Stylish Design:

The sleek and compact design of the set-top box complements any home entertainment setup. Its minimalist aesthetics blend seamlessly with modern TV units.

9. Easy Setup and Installation:

Setting up the 4K Android TV Set Top Box is quick and easy. Simply connect it to your TV, follow the on-screen instructions, and start enjoying your favorite content in minutes.

10. Future-Proof Technology:

Equipped with advanced features and future-proof technology, the set-top box ensures compatibility

with upcoming streaming services and content formats.

Upgrade your home entertainment experience with the 4K Android TV [Set Top Box](#) featuring Google Voice Control and Android TV OS. Enjoy hands-free control, stunning visuals, and a world of entertainment options at your fingertips.
