Application	KODI newest version Support local high-definition play, support plug-in installation and play
Accessory	User manual, HDMI cable, IR remote, Power adadpter
Option	Support mouse and keyboard via USB or BT; Support 2.4GHz wireless mouse and keyboard via 2.4GHz USB dongle

SIM card slot

Welcome to our range of Android TV Boxes with LTE/WCDMA connectivity, designed to provide high-speed internet access and premium entertainment experiences at a fraction of the cost. As a top supplier in China, we are committed to delivering quality products with advanced features to enhance your home entertainment setup.

High-Speed Connectivity:

1. **LTE/WCDMA Support:** Experience blazing-fast internet speeds with LTE/WCDMA connectivity, allowing you to stream 4K content, play online games, and browse the web without interruptions.
2. **Stable Connection:** Our Android TV Boxes are optimized for stable and reliable connectivity, ensuring smooth streaming and minimal buffering.

Affordable and Value-Packed:

1. **Cost-Effective Pricing:** We offer competitive prices for our Android TV Boxes with LTE/WCDMA, making advanced entertainment accessible to all budget-conscious consumers.
2. **Value-Added Features:** Despite the affordability, our devices come loaded with features such as 4K streaming support, gaming capabilities, smart home integration, and more.

Premium Entertainment Experience:

1. **4K Streaming:** Enjoy crisp and clear 4K resolution streaming of your favorite movies, TV shows, and videos on compatible displays.
2. **Gaming Performance:** Transform your TV into a gaming console with access to a wide range of Android games, providing immersive gaming experiences for all ages.

Smart Home Integration:

1. **Google Assistant Compatibility:** Some models feature Google Assistant integration, allowing you to control your TV and smart home devices with voice commands.
2. **IoT Connectivity:** Connect and manage IoT devices directly from your Android TV Box, creating a centralized hub for home automation and control.

User-Friendly Interface:

1. **Android TV OS:** Our devices run on the Android TV operating system, offering a user-friendly interface, personalized recommendations, and easy access to apps and content.
2. **Remote Control Convenience:** Navigate effortlessly with included remote controls, featuring intuitive layouts, voice search capabilities, and dedicated buttons for quick actions.

Reliable Support and Updates:

1. **Firmware Updates:** Stay up-to-date with the latest features and improvements through regular firmware updates, ensuring optimal performance and security.
2. **Customer Service:** Benefit from responsive customer support, troubleshooting assistance, and comprehensive product documentation to enhance your user experience.

Enhance Your Home Entertainment:

Experience the power of high-speed internet and premium entertainment with our [Android TV Boxes](#) with LTE/WCDMA support. Whether you're streaming your favorite shows in 4K, playing games, or managing your smart home, our affordable solutions have you covered. Elevate your home entertainment experience today with our top-quality Android TV Boxes.
