eMMC ROM

X96^{Max} Smart Box

4K

ULTRA HD

X96^{Max} Fully supporting Premium 4K UHD contents with a powerful 64bit CPU and Dvalin MP2 GPU combination in place to handle 4K graphics and offers strikingly realistic pictures.

X96Max Smart Box

AirPlay

Enjoy it on the big screen
And the best speakers

Your video/ music/photo from your Android devices /ios devices through DLNA /Airplay/onto big screen.
Enjoy the best gast best gaming& entertainment experience

X96_{Max} Smart Box

X96_{Max} Support HDR+

HDR makes it's possible that color gamut expands 100% and maximum

X96^{Max} Smart Box

LCD Pannel:

Time: System Time Display.

HD: HD Video Output Status Display.

CVBS: AV Status Display.

USB: USB Mount Status Display.

CARD: TF Card Mount Status Display.

X96^{Max} Smart Box

SuperSpeed USB
Theoretical speed
up to **5Gbps**
(practical speed
up to 300MB/s)

VS

High speed USB
Theoretical speed
up to **480Mbps**
(practical speed
up to 35/40MB/s)

USB3.0

X96Max Smart Box

Elevate your TV viewing experience with the Amlogic S905X2 Quad Core 4GB DDR4 32GB eMMC Android 8.1 Google TV Box. Packed with powerful features and advanced technology, this device delivers high-quality streaming, gaming, and more.

1. Powerful Quad Core Processor:

The Amlogic S905X2 Quad Core processor ensures fast and smooth performance, allowing you to stream your favorite content without any interruptions.

2. 4GB DDR4 RAM and 32GB eMMC Storage:

With 4GB of DDR4 RAM and 32GB of eMMC storage, you have plenty of space to store apps, games, and media files. Enjoy lag-free multitasking and quick access to your favorite content.

3. Android 8.1 Operating System:

Experience the versatility of the Android 8.1 operating system. Access thousands of apps, games, and streaming services from the Google Play Store for endless entertainment options.

4. 4K Ultra HD and HDR Support:

Enjoy stunning visuals with support for 4K Ultra HD resolution and HDR (High Dynamic Range) technology. Immerse yourself in lifelike colors, sharp details, and enhanced contrast for a cinematic viewing experience.

5. Dual-band WiFi and Ethernet Connectivity:

Stay connected with dual-band WiFi and Ethernet connectivity. Enjoy fast and stable internet connections for seamless streaming, browsing, and gaming.

6. Google TV Integration:

With Google TV integration, you can access personalized recommendations, content suggestions, and voice search functionality. Discover new shows, movies, and apps tailored to your preferences.

7. USB and HDMI Ports:

Connect external devices easily with USB and HDMI ports. Expand your entertainment options by connecting gaming consoles, Blu-ray players, external storage, and more.

8. Easy Setup and User-friendly Interface:

Set up your Android TV Box quickly and navigate with ease. Enjoy a user-friendly interface, customizable settings, and intuitive controls for a seamless user experience.

9. Streaming and Gaming Capabilities:

Stream your favorite movies, TV shows, and music from popular streaming platforms. Take your entertainment to the next level with gaming apps and casual games available on the Google Play Store.

10. Compact and Stylish Design:

The sleek and compact design of the Amlogic S905X2 TV Box complements any home entertainment setup. Its modern look adds a touch of elegance to your living space.

Upgrade your entertainment experience with the Amlogic S905X2 Quad Core [Android TV Box](#). Enjoy high-quality streaming, versatile connectivity options, and a world of entertainment at your fingertips.
