Option	Browse all video websites, support Netflix, Hulu, Flixster, Youtube, etc. Apps download freely form android market, amazon app store etc. Local Media playback, Support HDD, U Disk, TF Card. Support mouse and keyboard via USB or BT; Support 2.4GHz wireless mouse and keyboard via 2.4GHz USB dongle

ONENUTS

Multi-core 32/64-bit CPU and 3D GPU with high performance

Powerful multimedia processing capability, supporting all mainstream video decoding including 8K/4K 10-bit AV1/H.265/VP9/AVS2

Supports all mainstream HDR standard including Dolby Vision, HDR10 and HLG

Unique Trulife picture quality enhancement engine, offering theater-like visual effect

Complete production-ready security solution, supporting secure boot, secure OS and mainstream DRM

Ultra-high performance and ultra-low power consumption

Ultra-high SoC integration and rich peripheral interfaces

Complete IP license, including Dolby, DTS, etc.

Supports screen projection technology like DLNA, Miracast etc.

Provides mature turn-key solution for both split and AIO smart TV

Upgrade your home entertainment experience with our advanced Android Set Top Box, designed to

provide seamless connectivity, versatile functionality, and convenient features.

HDMI Input for Enhanced Connectivity:

The HDMI input allows you to connect your Set Top Box to various devices such as gaming consoles, Blu-ray players, laptops, and more. Enjoy high-definition content and seamless switching between devices for a versatile entertainment setup.

Android Functionality and App Support:

Our Set Top Box runs on the Android operating system, providing access to a wide range of apps, games, and streaming platforms. Enjoy personalized entertainment with your favorite apps directly on your TV screen.

Video Recording Capability:

Capture your favorite TV shows, movies, and live events with ease using the video recording feature of our Set Top Box. Never miss a moment and create your own media library to watch at your convenience.

Smooth Playback and High-Quality Output:

Experience smooth playback of high-definition content with support for various video and audio formats. Enjoy stunning visuals and immersive audio output for an enhanced viewing experience.

User-Friendly Interface and Remote Control:

Our Set Top Box features a user-friendly interface for easy navigation and control. Access settings, apps, and media content effortlessly with the included remote control, making it suitable for users of all ages.

Expandable Storage Options:

Store your media files, apps, and games conveniently with expandable storage options. Add a USB drive or microSD card to expand storage and access your favorite content anytime.

Wireless Connectivity and Streaming:

Connect to the internet via Wi-Fi for streaming content, browsing the web, and downloading apps. Enjoy seamless connectivity and access to a world of entertainment options.

Enhance Your Entertainment Setup:

- HDMI input for seamless connectivity with external devices.
- Android functionality and app support for personalized entertainment.
- Video recording capability to capture and save your favorite moments.
- Smooth playback and high-quality output for an immersive viewing experience.
- User-friendly interface, remote control, and expandable storage options for convenience.
- Wireless connectivity for streaming content and accessing online services.

Elevate your entertainment setup with our versatile Android [Set Top Box](#), offering HDMI input, video recording, app support, and more. Enjoy a seamless and immersive viewing experience with convenient features designed to enhance your entertainment needs.
