Wireless	WiFi 11ac+Bluetooth 4.1 IEEE802.11 a/b/g/n/ac(AP6255) 4G/5G
TF CARD	Support
SPDIF	Support Optical Output
IR Port	External Infrared Receiver
LED Indicator	Power on: Blue; Standby: Red
LED Display time	1* LED Display time, Built in RTC ,Built in USB device

Others	
Power Supply	AC100-240V 50/60Hz, DC 5V/2A
Language	English, German, Russian, French, Spanish, Italian, Arabic, Japanese, Korean, Hebrew, etc. multi languages
Application	KODI newest version Support local high-definition play, support plug-in installation and play
Accessory	User manual, HDMI cable, IR remote, Power adadpter
Option	Support mouse and keyboard via USB or BT; Support 2.4GHz wireless mouse and keyboard via 2.4GHz USB dongle

SIM card slot
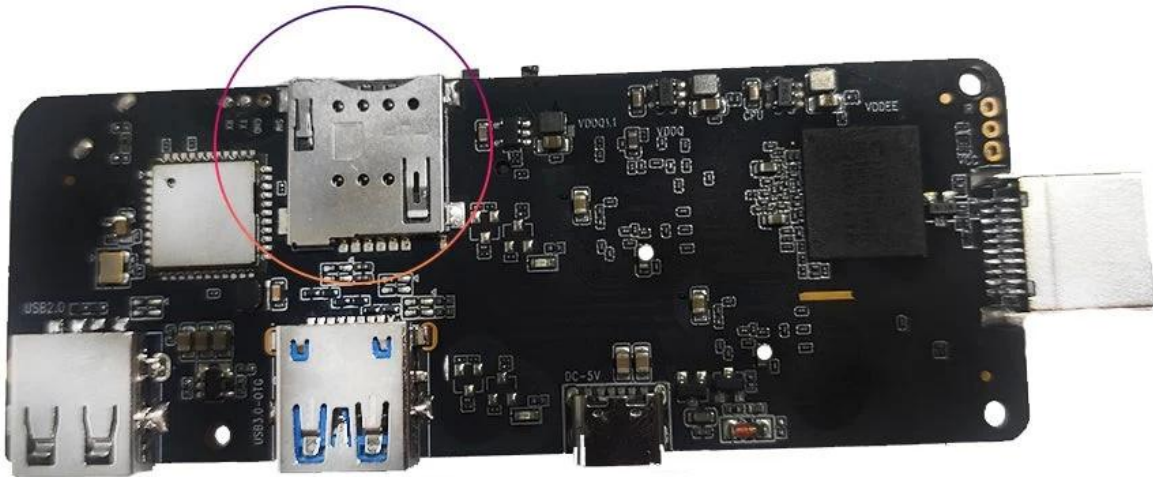

Welcome to the world of advanced connectivity and immersive entertainment with our top-rated Android TV Box featuring 3G, 4G, and 5G LTE WCDMA capabilities. This cutting-edge device is designed to revolutionize your streaming, browsing, and gaming experiences by offering lightning-fast connectivity, high-definition streaming, and versatile functionality.

Key Features of Our Android TV Box with 3G/4G/5G LTE WCDMA:

1. **Advanced Connectivity**: Experience ultra-fast internet connectivity with support for 3G, 4G, and 5G LTE WCDMA networks, ensuring smooth streaming, browsing, and online gaming experiences.
2. **High-Definition Streaming**: Enjoy stunning high-definition streaming with support for 4K Ultra HD resolution, delivering crisp and clear visuals for your favorite movies, TV shows, and videos.
3. **Versatile Functionality**: Transform your TV into a smart entertainment hub with access to a wide range of streaming apps, games, social media platforms, and more, all from the comfort

of your living room.

4. **Dual-Band Wi-Fi**: Stay connected to high-speed Wi-Fi networks with dual-band support, minimizing buffering and lag for uninterrupted streaming and browsing.
5. **Expandable Storage**: Store your favorite apps, games, and media files with ease thanks to expandable storage options such as microSD cards or USB drives, ensuring you never run out of space.
6. **Android OS**: Enjoy the flexibility and customization of the Android operating system, accessing a vast library of apps and content from the Google Play Store to personalize your entertainment experience.
7. **User-Friendly Interface**: Navigate through menus, apps, and settings effortlessly with a user-friendly interface and remote control, making it easy for anyone to use and enjoy.
8. **Multi-Device Connectivity**: Connect external devices such as keyboards, mice, controllers, and storage devices via USB ports or Bluetooth for enhanced functionality and convenience.

Benefits of Choosing Our Android TV Box with 3G/4G/5G LTE WCDMA:

1. **Fast and Reliable Connectivity**: Experience lightning-fast internet speeds and reliable connectivity, ideal for streaming high-definition content, video conferencing, online gaming, and more.
2. **Enhanced Streaming Experience**: Enjoy smoother streaming, reduced buffering, and faster downloads with advanced connectivity options, ensuring you get the best out of your streaming services.
3. **Versatile Entertainment**: Access a wide range of streaming apps, games, social media platforms, and productivity tools, turning your TV into a comprehensive entertainment and productivity center.
4. **Future-Proof Technology**: With support for 3G, 4G, and 5G LTE WCDMA networks, our Android TV Box is designed to keep up with evolving technology trends and provide you with a future-proof entertainment solution.
5. **Easy Setup and Configuration**: Set up your Android TV Box in minutes and customize it according to your preferences, thanks to the intuitive user interface and seamless integration with Google services.
6. **Reliable Customer Support**: Benefit from our dedicated customer support team, ready to assist you with any questions, setup assistance, troubleshooting, and software updates to ensure a smooth and enjoyable user experience.

Upgrade your home entertainment system with our top-rated [Android TV Box](#) featuring 3G, 4G, and 5G LTE WCDMA connectivity, and unlock a world of high-definition streaming, gaming, and productivity. Elevate your viewing experience and stay connected with the latest technology trends. Experience the future of entertainment with our Android TV Box today!
