| <b>HEVC</b><br>H.265     | <b>USB</b><br>3.0      | <b>@24fps</b><br>8K   | <b>WIFI</b><br>2.4G/5G | <b>HDR</b><br>10+  |

Support multi-screen share  
Support DLNA, Miracast, Airplay. You can play games and watch movies on the big screen

## Dual wifi design and stable performance

2.4:100Mbps

Stronger penetration & More Stable

5G:250Mbps

Faster Transmission & Load Quickly

2.4+5G:400Mbps

Built-in T2TR, more efficient and stable

## Android 9.0

application installation is more flexible

- More stable with applications
- Save 25% RAM in Spacet
- Faster & Safer responses

Download more apps

## Amlogic S905X3 Quad Core

Faster, Smarter and More Powerful

|             |              |                               |
|-------------|--------------|-------------------------------|
| 4GB<br>DDR3 | 32GB<br>eMMC | Ultra-fast running speed      |
|             |              | Professional image processing |

# 8K & 3D

The perfect combination of 8K and  
3D, bring you a 3D visual experience  
Feel the shock of the 3D cinema at home

## H.265 Makes 8K within Reach

Advanced H.265 Makes HD video Smoother

### **H.265 Decoding**

Less bandwidth / clearer image

### **Not decoded**

Loading slowly / blurred image

Welcome to the world of cutting-edge entertainment with our Full HD Android TV Box and Network Media Player in China. Here's why our device is a game-changer for your home entertainment:

1. **High-Quality Visuals:** Immerse yourself in stunning Full HD resolution for crisp and clear visuals that bring your favorite content to life.
2. **Powerful Performance:** Equipped with advanced hardware and software, our Android TV Box delivers smooth performance, fast loading times, and responsive navigation.
3. **Seamless Streaming:** Stream your favorite movies, TV shows, music, and more from popular streaming platforms with ease, thanks to reliable connectivity options.
4. **Versatile Connectivity:** Connect to your TV, sound system, or other devices using HDMI, USB, or Bluetooth, enhancing your entertainment setup.
5. **Extensive Content Library:** Access a vast array of content, including apps, games, videos, and live TV, providing endless entertainment choices for the whole family.
6. **User-Friendly Interface:** Navigate effortlessly through menus, apps, and settings with our intuitive and user-friendly interface, designed for convenience.
7. **Smart Features:** Take advantage of smart features like voice control, screen mirroring, and AI integration for a more interactive and personalized experience.
8. **Regular Updates:** Stay up-to-date with the latest features, security patches, and optimizations through regular software updates, ensuring optimal performance.
9. **Compact and Stylish Design:** Our Android TV Box boasts a sleek and compact design that blends seamlessly with any home entertainment setup, adding a touch of elegance to your living space.
10. **Expert Support:** Benefit from dedicated customer support and assistance to set up, troubleshoot, and optimize your Full HD Android TV Box and Network Media Player.

In conclusion, our Full HD [Android TV Box](#) and Network Media Player offer an unparalleled entertainment experience, combining high-quality visuals, powerful performance, and a wide range of features. Transform your TV into a smart hub of entertainment with our cutting-edge device.
