What is in the box?

Portable & Environmental EVA Bag

Our Android 6.0 TV Box preloaded with KODI combines the functionality of a streaming player and game box, offering a comprehensive entertainment solution for your home.

Seamless Streaming and Gaming Enjoy seamless streaming of your favorite content from popular platforms like Netflix, Hulu, and YouTube. With support for high-definition playback, immerse yourself in crystal-clear visuals and immersive sound. Additionally, indulge in immersive gaming experiences with access to a wide range of games and gaming platforms.

Preloaded KODI Software Our TV Box comes preloaded with KODI, a powerful media center software that offers access to a vast library of content, including movies, TV shows, live TV, and music. Discover new content, create playlists, and enjoy personalized recommendations for an optimized viewing experience.

Android 6.0 Marshmallow OS The TV Box runs on Android 6.0 Marshmallow, providing a user-friendly interface, access to a wide range of apps from the Google Play Store, and seamless integration with other Android devices. Customize your home screen, download your favorite apps, and enjoy a personalized entertainment experience.

Versatile Connectivity Options Connect seamlessly to your TV, sound system, and other devices with versatile connectivity options, including HDMI, USB, Ethernet, and Bluetooth. Stream content wirelessly, connect external storage devices, and enjoy flexible setup options for your home entertainment system.

User-Friendly Interface Navigate through content effortlessly with our user-friendly interface, designed for intuitive navigation and easy access to features and settings. Whether using the included remote control or mobile app, our TV Box provides a seamless and enjoyable user experience.

Reliability and Quality Assurance We prioritize reliability, performance, and customer satisfaction in every product we offer. Our TV Box undergoes rigorous testing to ensure durability, functionality, and compatibility with a wide range of devices and setups.

In conclusion, our Android 6.0 TV Box preloaded with KODI offers a comprehensive entertainment solution, combining seamless streaming, immersive gaming, and access to a vast library of content. Elevate your entertainment experience with our powerful and versatile TV Box, designed to meet the diverse needs of modern users.
