# Android TV

4K Android TV set-top box  
2.4G voice remote included

## Think out of the box with Android TV 7.1

Connect to a world of content and entertainment at home with Nut 2. It runs on the latest Android TV 7.1 which is easy to use, supports voice controls. Catch your favorite TV shows, play games, watch the news or switch to radio. Nut 2 also recommends videos based on your personal Youtube and Google Play preferences!

## Say it to search it

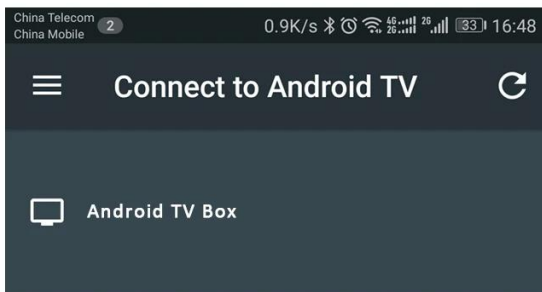

TV is listening, all you have to do is ask. Speak into the voice remote control, the TV Box will search for what you want. Simply press and hold the Voice control key to activate voice function, when you see the "Try saying." on the screen, speak into the Microphone, for example  
 "The latest action movies",  
 "Today's weather",  
 "The latest celebrity news",  
 etc..  
 You will get what you want.

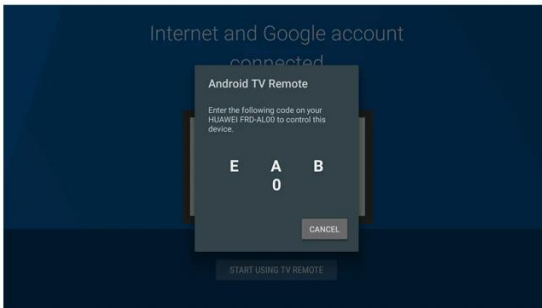

## Android TV Remote Control

1. Download and install "Android TV Remote Control" app from play store of android phone or tablet PC

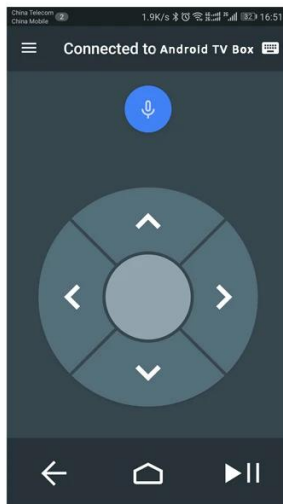

2. Find and click device "Android TV Box"

3. Pairing phone or tablet PC with Android TV Box

4. Phone or Tablet PC will be able to remote "Android TV Box" after pairing successfully

**Stalker** **MAG25X**

StbEmu applications can be compatible with most MAG25X stalker protocols

4 core 64bit | Android 7.1

Perfect Combination of Quad Core CPU and Android

2G+16G

2GB DDR3 RAM makes bigger games run smoothly and the utilization of eMMC memory offers an array of benefits in terms of performance security and reliability, resulting in a richer end-user experience.

3D Graphics Processing Unit

ARM Mali-T450MP3 GPU up TO 750MHz(DVFS)

## EVERYTHING POPS WITH HDR

Now it is time to have HDR on your TV with more realistic image, better contrast, brightness and color than before.

OTA service always keeps you up to date
